

DIRECTIONS FROM LIBERIA AIRPORT to the Oasis Costa Rica suites at Monarch Resort

From the airport exit you will turn right toward the Beach communities. About 10 minutes from the airport, look to the right for the very large retail center, called the "Do It Center." At this corner of the "Do It Center," turn right.

After about 500 meters, you will take the first left on to Las Truncas Road. You will see a Monarch Resort sign "follow the butterflies" right before the turnoff.

Stay on this highway until it ends at a stop sign. Turn left. After a couple of kilometers you will come to another stop sign. Turn left.

Go 1.5 kilometers, your first right is a divided road. Take this road one kilometer or less until you see the Monarch Resort sign on the right.

You have arrived at the Monarch Resort. At the large sign, turn right, and then left into the parking lot. You will see reception and the new restaurant *Pappillon*.

After parking your car, enter the restaurant, where there is a hotel lobby area and a reception counter. The staff will check you in and a staff person will escort you and your luggage to your suite via golf cart.

Use the phone in your suite to call to request pickup to take you back to the reception area or to the beach. Enjoy your stay!
